

Dear sirs: If uou choose to allow former services providers to harass me for the next 18 months, Then are you going to allow me to harass them as fair play? I droped service providers for a reason. Not to be harassed by them. I am also on the no call list for a reason. Not to have you tell me that tel a marketers have a right to bug me. Would you like the people calling you every day to complain about your decisions for the next 18 months?
